Dear Ms. Mehnert:

Thank you for appearing before the Subcommittee on Energy on February 27, 2019, at the hearing entitled "Clean Energy Infrastructure and the Workforce to Build It." We appreciate the time and effort you gave as a witness before the Subcommittee.

Pursuant to Rule 3 of the Committee on Energy and Commerce, members are permitted to submit additional questions to the witnesses for their responses, which will be included in the hearing record. Attached are questions directed to you from a member of the Committee. In preparing your answers to these questions, please address your responses to the member who has submitted the questions using the Word document provided with this letter.

To facilitate the publication of the hearing record, please submit your responses to these questions by no later than the close of business on Wednesday, April 24, 2019. As previously noted, this transmittal letter and your responses as well as the responses from the other witnesses appearing at the hearing, will all be included in the hearing record. Your written responses should be transmitted by e-mail in the Word document provided with this letter to Adam Fischer ([adam.fischer@mail.house.gov](mailto:adam.fischer@mail.house.gov)). You do not need to send a paper copy of your responses to the Committee. Using the Word document provided for submitting your responses will also help maintain the proper format for incorporating your answers into the hearing record.

1. The transition to a green economy presents the U.S. with incredible workforce opportunity but also, of course, workforce disruption.
  - a. How should Congress be proactively thinking about support for workers, families, and communities that have depended on the fossil fuel industry for jobs and economic development for generations?
  - b. How do we ensure a ‘just transition’ for those communities and workers as well?
